> Repart of the Select Committee in he presented to the Legislative Committee in the Governor of Madras.

Under S.O. 41 of the Standing Orders of the Madma Legislative Connell, the following report of the Below Committee on the Travanial-Turpata Devastinasies Bills [Bills No. 15, 17 and 18 of 1831) together with the Bills as amended by the Select Committee in

published:

BILLS NOS. 15, 17 AND 18 OF 1931.

The Thursday-Turned Deserthance Bib.

1Y-1

The Hosemate PM LEGISLATIVE OUNCE.

WE, the Members of the Select Committee apparatus
to the 31st Order PM 10 to 1

 We not on the Brd Kovember 1931 for the purpose of Chermanay are procedure. At that moving, we recoved to waste memoranth from persons having special interests affected by the present Bibs, and accordingly careful a note to be inserted in the papers instrugtingly.

special interests offected by the present Bills, and noconfingly cancel a note to be inserted in the papers insorting such manneravia. He response to this internation, we received assuminess memorated, at our meeting hold frees the LBA to she life Busenber [93] we beard our representations from the representatives of [1] the Milatas, [2] the Architas, Acheevappersales and other

Assection, (6) the Places as securious and more other person. Or the Places as securious and more other person. Or the Places as securious and more other person. Or the Places are not security of the securious and other securious and other securious and other securious and other securious with Asia Beat made examined carefully all the proposition which Asia Beat made for the belter more securious and assection and arrively at our devices. On 29th January 1832 or not be the person and proposition and arrively at our devices. On 29th January 1832 or not be the person and person

box and arrived at our decisions. On 28th Jaccary 1812, We not to consider a Bill shack had been desirable in accordance with our decesions and on that day we appointed a not committee to receivation the previous of the draft. We again used on 6th July 1912 and 6th July 1928 to consider the finite draft of the Bill mad our report. Our man conclusions are embodied in the following paragraphs.

paragraphs.

5. We consider that the most mitable arrangement for the management of the Draumhanness in question related to the management of the Draumhanness in question related to the management of the Draumhanness in the matter of British and have an income of resulty Rt. 15 table a year, should be wrated in a tensoushly strong examilian consisting of one loss than soone persons. In view of the Dang monociation of the Mahaya at the Mathemapse

Most with the management of the Parkon difficultured by pure Held, we have reasoled to give him a resulting pictor on the Commission with also the position as yours of the opening of the AL Dig. of first three years of the opening of the AL Dig. of the first three years of the opening of the AL Dig. of the opening of the opening of the part of the opening of the park opening of the opening of the park opening of the opening ope

from among themselves or from outsiders accreding to the minimals of proportional representation.

We consider that it is undesignable to differentiate between the secular and the religious management of the Devantaments. There extend be a clear-rat separation of these two fractions and any such separation would give cive to friction and depute. We have therefore placed the whole manufactorial of the Decachanama and the manufactorial of the institutions attached threato in the hands of this Committee.

manifestation of the institutions indicate motion in hands of this Committee.

6. At the same time, we have thought it necessary to provide for the appointment of an encentive officer for entrying on the clark shades of the management of the Decadimonist. This other will be called a Cummitionity, will be appointed by the Local Government and district, and as when and recording the LTD per parameter.

will be and a subsy not coverling in. 1,500 per merons.
